

AJIT YADAV

Junior Software Engineer – Fresher

+91 89282 15342 @ajityadav.dev@gmail.com Github Leetcode Portfolio LinkedIn Medium

Career Objective

- Recently completed my graduation with Bachelor of Science in Information Technology (2024) and Completed 3 internships focusing on problem-solving, data structures, algorithms, and research.
- Proficient in Java and React.js.
- Currently learning DevOps and Cloud Security.
- Actively contributes to open-source projects.
- Core team member at **BrowserStack Community**.
- Debugging, and Training LLM model.

Skills & Tools Worked on

- Java, Problem Solving DSA, Databases (PostgreSQL, MongoDB)
- Spring boot, HTML & CSS, JavaScript(React.js, Node.js)
- Git, Version Control
- Visual Studio, Eclipse, Postman, Agile Methodology
- Debugging, Linux understanding, Research & Development

Experience

1 – Zidio Development	1 Month – 2024 (FEB – MAR)
Intern in Web Development – Remote	
Role and Responsibilities:	
• Reactjs, Tailwind CSS, Figma, API, .Net	
2 – GAOTek Inc.	7 Month – 2024 (MAR – SEP)
Intern in Full stack developer – Remote(New York Based)	
Role and Responsibilities:	
• Reactjs, Nodejs, LLM Model	
3 – Suraj Informatics Private Limited	May 2025 – Present
Trainee Software Engineer – Backend	
Role and Responsibilities: Java, Spring Boot, React, TypeScript	

Education

BS – Information Technology & Computer Science	2021 – 2024
University of Mumbai – GSCC	Overall – 8.30 CGPA

Licenses & certifications

• ManageEngine Certified Product Associate(MECPA) EventLog Analyzer – Cybersecurity, IRM	From ManageEngine
• HackerRank – Java basics to advance & Reactjs	From HackerRank
• HackerRank – SQL basics to advance	
• Certified Network Security Practitioner (CNSP)	From SecOps
• Oracle Cloud Infrastructure Certified – Gen AI, Vector Database, Model	From Oracle
• POSTMAN API Certification – API Testing	From Postman
• JPMorgan Chase & Co. Cybersecurity Simulation – Virtual Internship	From JPMorgan

Projects & Working	Hackathon	Problem Solving
• Log Ingestor System	• AI Amplifier	• LeetCode: 85+ problems
• OCR DMS	• MumbaiHacks	• HackerRank: 5 Star (Java)
• Sorting Visualizer	• EthMumbai	• CodeChef: 2 Star
• Port Management System	• Coding Ninja Contests	• Codeforces: 2 Star
	• Leetcode contests
